

Public Safety Advisory Board

Purpose

The Public Safety Advisory Board (PSAB), created by [West Linn ordinance](#), has responsibility for making recommendations to the City Council on such issues as crime prevention, fire prevention, emergency services, and disaster preparedness.

Who Are We?

Public Safety Advisory Board consists of [seven members](#) appointed by the Mayor, with the approval of the Council. The PSAB is tasked “to review and make recommendations” on such issues as crime prevention, traffic safety and police/community partnerships, as well as to promote public education on crime related issues, and collaborate with other government agencies to mitigate the negative effects of crime on community livability.

Meeting and Events

- PSAB meets on the 4th Monday of each month from 6:00 to 7:00 p.m. Locations vary.
- May 22 – [West Linn NET](#)
